Select Account Type What type of account would you like to add?	
E-mail Account Wewsgroup Account Directory Service What information do I need to set up my account?	
	Next Cancel

4. In the *Your Name* window, type in the name you want your recipients to see when they receive your e-mails, then click on **Next**.

Q		
Your Name		
When you send e-mail, yo Type your name as you w	ur name will appear in the From field of the outgoing message ould like it to appear.	
<u>D</u> isplay name:	Ear sympley John Smith	
	For example: John Smith	
Where can I find my e-ma	il account information?	
		Next Cancel

5 In the *Internet E-mail Address* window, type in your e-mail address, then click on **Next**.

G			×
Internet E-mail Address			
Your e-mail address is the	address other people use to send e-mail messages to you.		
<u>E</u> -mail address:	1		
	For example: someone@microsoft.com		
<u>Where can I find my e-ma</u>	il account information?		
		<u>N</u> ext Cance	el

6. Select **POP3** as Incoming e-mail server type.

Incoming mail server: mail.fast-air.net

Outgoing mail server: mail.fast-air.net

Check the box next to **Outgoing server requires authentication.** Click **Next**.

Set up e-mail servers

Incoming e-mail server type:

POP3 👻

Incoming mail (POP3 or IMAP) server:

mail.yourdomain.com

Outgoing e-mail server (SMTP) name:

smtp.yourdomain.com

Outgoing server requires authentication

7. In the *Internet Mail Logon* window, enter your E-mail username (**this is your full email address**) and password for your e-mail account (you don't need to enter the password, but if you do, you will automatically log on to the e-mail server everytime you open Windows Mail as long as the check is in the box next to **Remember Password**). Click **Next** when completed

O		
Internet Mail Logon		
Type the account name	and password your Internet service provider has given	i you.
E-mail usern <u>a</u> me:	mstafford@fast-air.net	
<u>P</u> assword:	 ☑ Remember pass <u>w</u> ord	
		Next Cancel

8. You should see the following screen; check the **Do not download my e-mail and folders at this time** box, then click **Finish**.

Congratulations	
You have successfully entered all of the information required to set up your account.	
To save these settings and download your e-mail, click Finish.	
💹 Do not download my e-mail at this time	
	Finish Cance

• You should now end up at the **Internet Accounts** screen; click **Close** to complete the process.
